RECITAL MAKEUP

Apply a foundation and powder that best matches your students skin tone. Natural brown eye shadow tones and a berry color for lips and cheeks are best. Black eyeliner, mascara, and/or, faux eyelashes are suggested for students who are comfortable wearing them.

MISS JENNIE SAYS

"We request that students wear makeup to keep them from getting "washed out" by the bright stage lighting. Though we need adequate makeup applied to accomplish this goal, we do NOT want our littles looking like they're 25 years old. We want our little girls to look like little girls and ask that parents apply the amount of makeup they're comfortable with."
